RECITALS:

A. Assure Neuromonitoring and Beneficial Owner entered into that certain Asset Purchase Agreement, dated March 11, 2024, (the “*Purchase Agreement*”), pursuant to which, Assure Neuromonitoring agreed to, among other things, act, or cause its subsidiaries to act, as a Nominee for the benefit of the Beneficial Owner for the purpose of (i) holding certain contractual rights arising under the agreements listed on Exhibit A attached hereto, subject to any limitations set forth therein and in this Agreement (the “*Nominee Agreements*”), and (ii) otherwise facilitating certain operational functions related to business operations in furtherance of the performance obligations arising under the Nominee Agreements, including, without limitation, those operational functions set forth on Exhibit B attached hereto (collectively, the “*Nominee Operational Functions*”).

B. The Parties acknowledge and agree that this Agreement is intended to cause Beneficial Owner to receive the benefit of the Nominee Agreements, to the extent permitted by law and the Nominee Agreements, which Nominee Agreements were not otherwise practically assignable in a time frame that was acceptable to the Parties in connection with the closings of the transactions contemplated by the Purchase Agreement (the “*Closings*”).

AGREEMENT:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows.

1. Nominee Performance Obligations. Except as otherwise provided herein, each Nominee shall remain, or cause its subsidiary to remain, as a going concern entity in good standing in all requisite jurisdictions for the purposes of this Agreement and perform, or cause to be performed, all of its obligations arising under the applicable Nominee Agreement and shall otherwise perform, or cause to be performed, the applicable Nominee Operations Functions and such other reasonable actions in the ordinary course of business and in accordance with applicable laws and regulations and such documents as may govern such obligations, as directed by Beneficial Owner from time to time all as related to such Nominee Agreements. In connection with the foregoing, each Nominee shall, for the duration of the term of this Agreement, continue, or cause its subsidiary to continue, its commercial general liability insurance policies which are in place as of the Effective Date and shall maintain such other insurance coverages as are customary and standard for the industry in which such Nominee operates. Each Nominee shall maintain its existing medical malpractice insurance or purchase tail insurance to cover claims arising against such Seller prior to the applicable Closing consistent with Section 7.7 of the Purchase Agreement. In addition, each Nominee covenants and agrees to take such reasonable actions and execute such documents as necessary and directed by Beneficial Owner to assign, or cause to be assigned, the Nominee Agreements, to the extent they are assignable, identified by Beneficial Owner to Beneficial Owner or its designee. For the avoidance of doubt, all revenue generated by the Nominee Agreements after the date of the Closing is for the benefit of Beneficial Owner and shall be paid to Beneficial Owner within five (5) business days of Nominee’s receipt of such revenue, or shall otherwise be paid in such manner as directed by Beneficial Owner in writing, but in no event in less than five (5) business days after receipt by any Nominee.

2. Beneficial Owner Performance Obligations. Beneficial Owner shall timely pay all ordinary operating expenses detailed on Exhibit C attached hereto in connection with Nominee’s performance of the Nominee Operational Functions provided that in the event Nominee pays an ordinary operating expense with the prior written consent of Beneficial Owner, in connection with Nominee’s performance of the Nominee Operational Functions, Beneficial Owner shall reimburse Nominee within three (3) business days from receipt of written documentation from Nominee (the “*Expense Reimbursements*”).

3. Term. The term of this Agreement shall begin on the Effective Date and shall continue until (i) the twelve month anniversary of the Effective Date (the “*Initial Term*”), or (ii) ten (10) days after written notice of termination is delivered by Beneficial Owner to Nominees. At the end of the Initial Term, Beneficial Owner, in its sole discretion, may extend the term of this Agreement for an additional three months, which may be terminated by Beneficial Owner at any time as set forth herein. Notwithstanding the above, in the event of a termination of the Purchase Agreement for any reason, this Nominee Agreement shall immediately terminate without penalty.

4. Authority. Each Nominee shall have the authority to perform such acts reasonably deemed necessary to perform obligations arising under the Nominee Agreements. Notwithstanding the foregoing, each Nominee shall obtain written consent of Beneficial Owner prior to:

4.1 entering into agreement and contract that binds or otherwise causes a performance obligation on the part of Beneficial Owner; making any expenditure that that binds or otherwise cause a performance obligation on the part of Beneficial Owner;

4.2 terminating any Nominee Agreement; hiring or contracting with any individual or entity whose compensation or consideration will be paid, directly or indirectly, by Beneficial Owner; and

4.3 taking any other action or omission that causes Beneficial Owner to lose any benefit, directly or indirectly, of the Nominee Agreements, unless such action is required by law in which event prior written consent is not required.

Notwithstanding anything to the contrary contained herein, no Nominee shall have any authority to bind Beneficial Owner to any direct obligations without the prior written consent of Beneficial Owner.

5. Consideration. The Parties acknowledge and agree that the consideration exchanged by Beneficial Owner and the Nominees under the Purchase Agreement, which includes employment of certain key personnel is, other than the Expense Reimbursements, payment in full for Nominees’ performance under this Agreement and that such consideration, together with the Expense Reimbursements, is the mutually negotiated and agreed upon consideration for the assets purchased under the Purchase Agreement and Nominees’ performance of its obligations hereunder, including, the Nominee Operational Functions. But for Nominees’ agreement to enter into this Agreement, Beneficial Owner would not have entered into the Purchase Agreement or paid Nominees the consideration contemplated therein.

6. Exculpation; Indemnification; Representations, Warranties, Covenants

6.1 Each Nominee, including its agents, employees, members, managers, representatives, contractors and affiliates will not be liable and will be indemnified, defended and held harmless by Beneficial Owner for any action taken, or omitted to be taken, in good faith and at the written direction of Beneficial Owner after the Effective Date, by such Nominee, or on behalf of such Nominee by any of its agents, employees, members, managers, representatives, contractors or affiliates in connection with the performance of the Nominee Operational Functions. Notwithstanding anything in the foregoing to the contrary, in no event shall any Nominee be relieved of any

liability for: (a) conduct not undertaken in good faith; (b) conduct that amounts to gross negligence, recklessness, fraud, or willful malfeasance; (c) conduct that constitutes a willful breach of this Agreement or any of the Nominee Agreements; or (d) any unlawful action.

-2-

6.2 Beneficial Owner, including its agents, employees, members, managers, representatives, contractors and affiliates will not be liable and will be indemnified and held harmless by Nominees on a joint and several basis for any action taken, or omitted to be taken (a) prior to the Effective Date, including, without limitation, any action taken or omitted to be taken by any Nominee or any Nominee's agents, employees, members, managers, representatives, contractors or affiliates, including, without limitation, actions taken in connection with the Nominee Agreements, or (b) by any Nominee or any Nominee's agents, employees, members, managers, representatives, contractors or affiliates that are in breach of the Nominee Agreements or in violation of applicable law.

6.3 Each Nominee covenants and agrees to take all reasonably necessary actions in the ordinary course of business and perform such reasonable functions as directed by Beneficial Owner to assist the Beneficial Owner in obtaining and realizing the benefits of the Nominee Agreements.

6.4 Beneficial Owner covenants and agrees to take all necessary actions and perform such functions as necessary to ensure each Nominee receives timely directives and resources to enable such Nominee to perform under this Agreement the Nominee Operational Functions.

If and to the extent that there are any discrepancies between the provisions of this Agreement and any other document pertaining to the obligations evidenced by this Agreement, the provisions of this Agreement shall control; *provided, however*, if there is a discrepancy between this Agreement and the Purchase Agreement, the Purchase Agreement shall control.

7.4 Force Majeure. For so long as such circumstances prevail, the Party whose performance is delayed or hindered shall continue to use all commercially reasonable efforts to recommence performance without delay.

7.5 Notice. Notices and all other communications provided for in this Agreement shall be given pursuant to Section 10.5 of the Purchase Agreement.

7.6 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

C. Parent beneficially owns all of the equity interests of each of the Sellers and will therefore directly benefit and receive substantial consideration in connection with the consummation of the transactions contemplated by the Purchase Agreement.

D. Purchaser’s obligation to consummate to the transactions contemplated by the Purchase Agreement is subject to the satisfaction of certain conditions precedent, including that Sellers and Parent execute and deliver this Agreement.

E. Purchaser desires to protect the value of the Acquired Assets and the Business by obtaining from Sellers and Parent this Agreement to (i) maintain the confidentiality of certain information concerning the Business, including, without limitation, trade secrets and other confidential and/or proprietary information, and (ii) refrain from competing with Purchaser and the Business for a reasonable period of time in the Restricted Area (as hereinafter defined).

NOW, THEREFORE, in consideration of the foregoing premises and of the representations, warranties, covenants and agreements contained herein and in the Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **Disclosure of Information.** Sellers and Parent agree that for a period of three (3) years from the Effective Date (the “*Term*”), none of Sellers, Parent nor any of their respective Affiliates (as defined in Section 15) shall, without the prior written consent of the Board of Managers of Purchaser (the “*Board of Managers*”), directly or indirectly, reveal, divulge, disclose or otherwise communicate to any unauthorized Person (as defined in Section 15) in any manner whatsoever, or otherwise make use of, confidential, proprietary or trade secret information of any kind, nature or description concerning any matters affecting or relating to the Business, including, without limitation: (a) the names of any of the prior, present or prospective clients, customers, vendors, suppliers, businesses or accounts of the Business, (b) the prices for which the Business obtains or has obtained, or at which it sells or has sold, or at which it leases or rents or has leased or rented, the properties or services of the Business, (c) the names of the personnel involved in the Business, (d) the financial affairs of the Business, (e) the method of operating the Business, including all operating manuals, policies and procedures, (f) the method of marketing, and determining markets for, the Business, or (g) the processes, techniques, methods, know-how, designs, design improvements, plans, trade secrets or other data of any kind, nature or description whatsoever relating to the Business. Without regard to whether any or all of the foregoing matters would be deemed confidential, material or important, the parties hereto stipulate that as among them, the same are confidential, material and important and gravely affect Purchaser’s effective and successful conduct of the Business and its goodwill. Notwithstanding anything contained in this Section 1 to the contrary, (i) none of Sellers, Parent nor any of their respective Affiliates shall be prohibited from disclosing any information regarding the Business if such information is required to be disclosed pursuant to applicable law or is ordered to be made available by any court of competent jurisdiction or any governmental authority; *provided, however*, that Sellers or Parent shall, if legally permitted, provide Purchaser with written notice of such court order or order by a governmental authority prior to disclosing such information, (ii) none of the Sellers, Parent or their respective Affiliates shall be prohibited from using confidential, proprietary or trade secret information in relation to billing and collecting accounts receivable of the Sellers, Parent or their respective Affiliates related to the Business and (iii) none of the Parent or its respective Affiliates shall be prohibited from using confidential, proprietary or trade secret information solely in relation to the Parents and its respective Affiliates ongoing Business in the Permitted Area.

Notwithstanding anything contained in this Section 1 to the contrary, none of Sellers, Parent nor any of their respective Affiliates shall be liable pursuant to this Section 1 for disclosures as to (i) information that is or becomes generally available to the public other than as a result of a disclosure by Sellers, Parent or any of their respective Affiliates or (ii) information which is received from a third party; *provided, that*, such source is not known by Sellers, Parent or any of their respective Affiliates to be bound by a confidentiality agreement, or other obligation of secrecy, to Purchaser.

2. **Covenant Not to Compete.** Sellers and Parent agree that during the Term, without the prior written consent of the Board of Managers, none of Sellers, Parent nor any of their respective Affiliates shall, directly or indirectly, through any corporation, organization or other entity owned or controlled by any such party, or as a stockholder or holder of any equity security (except for an equity interest in a public company that does not exceed two percent (2%) of its total outstanding voting stock), partner or in any other capacity whatsoever:

(a) own or acquire any equity interest, direct or indirect, or have any other financial interest in (in any manner, including, but not limited to, equity, debt or bond financing) or participate in any manner in the ownership, management, operation or control of any Competing Business (as hereinafter defined) in the Restricted Area. As used in this Agreement, the term “*Competing Business*” shall mean any business that offers or provides any service line or business competitive with any service line or business offered by Purchaser and/or its Affiliates as of the Effective Date, including without limitation, intraoperative neurophysiological monitoring services and/or related services that are comparable to, the same or substantially similar to those services then offered by Purchaser as of the Effective Date, in each case, within the Restricted Area; for clarity Competing Business does not include (i) the ongoing Business of the Parent and its Affiliates within the Permitted Area or (ii) ongoing billing and collections by the Sellers, Parent and their respective Affiliates of accounts receivable of the Sellers, Parent or their respective Affiliates related to the Business;

(b) engage in, render services for (alone or in association with any Person), give advice or otherwise assist any Person engaged in or has specific plans to engage in, any Competing Business in the Restricted Area;

(c) lend credit, money or reputation for the purpose of establishing or operating any Competing Business in the Restricted Area; or

(d) organize or take preparatory steps for the organization of or participate in the ownership, management, operation or control of any Person that is engaged in or has specific plans to engage in any Competing Business in the Restricted Area.

The foregoing covenants are intended to restrict Sellers and Parent and their respective Affiliates from competing in any manner with Purchaser or any of its Affiliates in any business similar to the Business or any portion thereof in the activities that have heretofore been carried on in connection with the Business or any portion thereof in each case within the Restricted Area. The parties hereto hereby agree that the prohibitions set forth in this Section 2 shall be liberally interpreted so as to carry out the intents and purposes of this Agreement.

If, at any time during the Term, Sellers or Parent are not in compliance with the terms of this Section 2, Purchaser shall be entitled to, among other remedies, require compliance by such Person with the terms of this Section 2 for an additional period equal to the period of such noncompliance. As used in this Agreement, the term "**Term**" shall also include such additional period of noncompliance. Sellers and Parent hereby acknowledge that the geographic boundaries, scope of prohibited activities and the time duration of the provisions of this Section 2 are reasonable and are not broader than are necessary to maintain the goodwill associated with the Business and to protect other legitimate business interests of Purchaser and its Affiliates.

As used in this Agreement, the term "**Restricted Area**" shall mean any geographic market in which Sellers conduct the Business as of the Effective Date or have conducted the Business during the twelve (12) months immediately preceding the Effective Date but not including the Permitted Area. As used in this Agreement, the term "**Permitted Area**" shall mean the geographic markets in the States of Arizona and Montana

3. **Non-Solicitation.** Sellers and Parent further agree that during the Term, without the prior written consent of the Board of Managers, none of Sellers, Parent nor any of their respective Affiliates shall, directly or indirectly, through any Person owned or controlled by such Person, or as a stockholder or holder of any equity security (except for an equity interest in a public company that does not exceed two percent (2%) of its total outstanding voting stock), partner or in any other capacity whatsoever:

(a) solicit the business of any patients, providers, clients, customers, suppliers, vendors or other business relations of Purchaser or any Affiliate thereof for itself or on behalf of any Competing Business in the Restricted Area;

(b) induce, influence or attempt to induce or influence any employee or contractor of Purchaser or any Affiliate thereof to terminate or reduce his or her employment, agency or contractor relationship with Purchaser or such Affiliate, or in any way interfere with the relationship between Purchaser or any Affiliate thereof and any employee or contractor thereof;

(c) hire or engage any individual who was an employee or contractor of Purchaser or any Affiliate thereof at any time during the Term (other than employees and/or contractors who have been separated from employment or engagement with Purchaser or any Affiliate thereof for at least twelve (12) months); or

(d) induce, influence or attempt to induce or influence any patients, providers, clients, customers, suppliers, vendors or other business relations of Purchaser or any Affiliate thereof to cease doing business with Purchaser or such Affiliate, or in any way interfere with the relationship between any such patient, provider, client, customer, supplier, vendor or other business relation and Purchaser or any Affiliate thereof.

-3-

4. **Non-Disparagement.** Sellers and Parent agree not to make any negative or disparaging statements or remarks concerning Purchaser or any of its Affiliates to any third person which might reasonably result in the public disclosure of such negative or disparaging statements or remarks in the form of newspaper or magazine articles, television or radio broadcasts, book publications, speeches, addresses or seminars. Sellers and Parent acknowledge and agree that the foregoing provision applies to posting information on the Internet and/or social media outlets. This provision shall be construed as broadly as state and/or federal law permit, but no more broadly than permitted by applicable state and/or federal law.

5. **Enforcement of Covenants.**

(a) Sellers and Parent acknowledge that a violation or attempted violation, on the part of Sellers, Parent or any of their respective Affiliates, of any covenant contained in Sections 2, 3 and 4 will cause such damage to Purchaser as will be irreparable and that the remedy at law will be inadequate. Accordingly, Sellers and Parent agree that Purchaser shall be entitled as a matter of right to an injunction, without posting of a bond or any other security, from any court of competent jurisdiction, restraining any further violation of such agreements by Sellers, Parent or any of their respective Affiliates. Any exercise by Purchaser of its rights pursuant to this Section 5 shall be cumulative and in addition to any other remedies to which Purchaser may be entitled at law or in equity.

(b) Sellers and Parent acknowledge (i) the sufficiency of the consideration received by Sellers or Parent for purposes of such Person's covenants hereunder, (ii) that Sellers and Parent have consulted with independent legal counsel regarding such Person's rights and obligations under this Agreement, (iii) that such Person fully understands the terms and conditions contained herein, (iv) that the covenants and agreements contained in this Agreement are reasonable and necessary for the protection of Purchaser and the Business and (v) that Sellers' and Parent's agreement to enter into this Agreement was a material inducement to Purchaser's entering into the Purchase Agreement.

6. **Reformation of Covenants.** Purchaser, Sellers and Parent agree and stipulate that the agreements and covenants contained in Sections 2, 3 and 4 are fair and reasonable in light of all of the facts and circumstances of the relationship among Purchaser, Sellers and Parent. However, the parties are aware that in certain circumstances courts have refused to enforce certain agreements not to compete. Therefore, in furtherance of, and not in derogation of the provisions of Sections 2, 3 and 4, Purchaser, Sellers and Parent agree that in the event a court should decline to enforce the provisions of Sections 2, 3 and/or 4, that such Section(s) shall be deemed to be modified or reformed to restrict Person's competition with Purchaser or its Affiliates to the maximum extent, as to time, geography and business scope, which the court shall find enforceable.

7. **Representations and Warranties.** As a material inducement to Purchaser to enter into this Agreement and to consummate the transactions contemplated by the Purchase Agreement, Sellers and Parent hereby represent and warrant to Purchaser as follows:

(a) None of Sellers, Parent nor any of their respective Affiliates are currently engaged in any business competitive with the Business or any portion thereof in the Restricted Area; and

-4-

(b) No child, grandchild (whether through marriage, adoption or otherwise), sibling (whether through adoption or otherwise), parent or spouse of any Affiliates of Sellers or Parent has any plans or intention to engage in any business competitive with the Business or Purchaser, or any portion thereof in the Restricted Area, or otherwise compete with Purchaser in the Restricted Area.

The representations and warranties set forth in this Section 7 shall survive the closing of the transactions contemplated by the Purchase Agreement indefinitely.

8 . **Indemnification.** From and after the date hereof, Sellers and Parent shall jointly and severally indemnify, defend and hold Purchaser and its Affiliates, employees, officers, managers, members, partners, representatives and agents (collectively, the "**Purchaser Indemnified Parties**") harmless against and pay on behalf of or reimburse Purchaser Indemnified Parties as and when incurred for any and all claims, losses, damages, costs and expenses (including reasonable attorneys' fees) that may be incurred by, imposed upon or asserted by or against Purchaser Indemnified Parties resulting from, arising out of or relating to any facts or circumstances which constitute a breach by Sellers or Parent of any covenant or provision of this Agreement.

9 . **Invalid Provisions.** If any provision hereof (other than Sections 2, 3 and 4) is held to be illegal, invalid or unenforceable under present or future laws effective during the Term hereof, such provisions shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof; and the remaining provisions hereof shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom. Furthermore, in lieu of such illegal, invalid or unenforceable provision there shall be added automatically as a part hereof a provision as similar in the terms, but in any event no more restrictive, than such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

10 . **Waiver; Consent.** This Agreement may not be changed, amended, terminated or modified, in whole or in part, except by a writing executed by the parties hereto, and no waiver of any of the provisions or conditions of this Agreement or any of the rights of a party hereto shall be effective or binding unless such waiver shall be in writing and signed by the party claimed to have given or consented thereto. Except to the extent that a party hereto may have otherwise agreed in writing, no waiver by that party of any condition of this Agreement or breach by the other party of any of its obligations or representations hereunder or thereunder shall be deemed to be a waiver of any other condition or subsequent or prior breach of the same or any other obligation or representation by the other party, nor shall any forbearance by the first party to seek a remedy for any noncompliance or breach by the other party be deemed to be a waiver by the first party of its rights and remedies with respect to such noncompliance or breach.

The unaudited pro forma condensed consolidated financial information is presented based on assumptions, adjustments and currently available information described in the accompanying notes and is intended for informational purposes only. The unaudited pro forma condensed consolidated financial information is not necessarily indicative of what the Company’s results of operations or financial condition would have been had the sale of the assets occurred on the dates assumed. In addition, it is not necessarily indicative of the Company’s future results of operations or financial condition.
